DESCRIPTION/OPTIONS: This 2019 Jeep Grand Cherokee Overland offered in Granite Crystal Metallic Clearcoat will make a great addition to your family or business! Here are just a few features this vehicle has to offer:
Comfort Ventilated front seats - That's cool. Ventilated front seats provides targeted cool air so you and your passenger can get comfortable quicker in hot weather. Getting comfortable is no sweat when you have ventilated front seats.
Convenience Smart device and keyfob engine start control - Phone ahead. Remotely start your vehicle's engine from the key fob or your smart device, ensuring your ride is ready to go when you get in. Now you can stay comfortable inside while your vehicle gets comfortable outside, thanks to Smart device and Keyfob engine start control.
Power open and close liftgate - On-demand access. When your arms are full of cargo, the last thing you want to do is set it all down just to open the liftgate, then pick it all back up to load it in. By remotely opening and closing, power liftgate lets you skip straight to the loading. It also eliminates the awkward stretch to reach up for the liftgate to close it. Load and go with power open and close liftgate.
Technology and Telematics Smart device mirroring - Smartphone, meet smart car. You can control your device through your vehicle's infotainment system. Smart device mirroring brings together safety and convenience by making it easier to find what you're looking for while keeping your eyes on the road.
Voice activated integrated navigation system - A to B made easy! Whether it's an errand or a road trip, the voice activated integrated navigation system will guide you to your destination. No more bulky, impossible-to-fold maps, and no more stopping to ask for directions. Just tell it where you want to go, and the voice activated integrated navigation system shows you the right way.
