DESCRIPTION/OPTIONS: FRESH ARRIVAL CALL FOR RELEASE DATE! This 2016 Volkswagen Passat 1.8T SE offered in Reef Blue Metallic will make a great addition to your family or business! Here are just a few features this vehicle has to offer: REEF BLUE METALLIC Convenience Distance pacing cruise control - Set it and forget it. Road trips used to be stressful. Cruise control only managed speed, but not distance or safety. Now, with Distance pacing cruise control, simply set your desired speed and let sensor technology maintain a safe distance between you and the vehicle ahead. Distance pacing cruise control; your ultimate co-pilot. Safety and Security Forward collision mitigation - Forward thinking. You look away for just a second and suddenly the vehicle in front of you has stopped. That's when the forward collision mitigation system comes to life. When it senses an impending impact, it will activate a combination of features to help prevent or reduce the severity of an accident. Forward collision mitigation is always looking ahead. Rear camera - Watching your back! The rear camera helps you see obstacles and hazards you otherwise couldn't by showing enhanced images of what is behind you. The rear camera is an extra set of eyes that's both convenient and safe. Brake assist - Stop right there. Something jumps out into the middle of the road and you need to stop now! With brake assist, you will. It uses the speed of the brake pedal's travel to sense panic braking, then applies all available power to boost your stopping power. Brake assist can stop the accident before it is one. Technology and Telematics Smart device mirroring - Smartphone, meet smart car. You can control your device through your vehicle's infotainment system. Smart device mirroring brings together safety and convenience by making it easier to find what you're looking for while keeping your eyes on the road. This vehicle comes with a 30-day, 1250 mile 100% warranty that covers not only the complete list of state of Maine inspection standards but also engine & drive train as well.
