Trying to drive with bulky winter gloves on isn't always easy. Keep your hands warm in cold temperatures so you can ditch the mitts and get a firm grip with this heated steering wheel. Heated driver and front passenger seat cushions - That's hot. Heated driver and front passenger seat cushions provide more targeted warmth so you can get comfortable quicker in cold weather. If you have lower body pain, you might also be soothed by the heat while you drive. No matter the weather, find comfort in heated driver and front passenger seat cushions.Convenience Keyfob engine start control - Get an early start. Remotely start your vehicle's engine from the key fob, ensuring your ride is ready to go when you get in. Now you can stay comfortable inside while your vehicle gets comfortable outside, thanks to Keyfob engine start control.Technology and Telematics Smart device mirroring - Smartphone, meet smart car. You can control your device through your vehicle's infotainment system. Smart device mirroring brings together safety and convenience by making it easier to find what you're looking for while keeping your eyes on the road. Wireless connectivity - Strike the cord. Wireless technology makes it easy to place calls without having to fumble with your phone. It integrates your device with the system inside your vehicle for hands-free access. Keep connected and keep your hands on the wheel with wireless connectivity. This vehicle comes with a 30-day, 1250 mile 100% warranty that covers not only the complete list of state of Maine inspection standards but also engine & drive train as well. We also offer extended warranties for an additional fee. nnPlease call 207-333-3558 and speak with Eric for further details or email us at sales@lakecityexports.com. nnAlso ask us about our AMAZING NEW GAP program!
