DESCRIPTION/OPTIONS: This 2021 Subaru Ascent Limited offered in Magnetite Gray Metallic will make a great addition to your family or business! Here are just a few features this vehicle has to offer: Technology Package (\$2,950 value) Cargo Area Cover Dual Glass Panoramic Power Moonroof Subaru STARLINK 8.0 Multimedia Navigation System Radio All-Weather Floor Mats (\$132 value) Safety and Security Forward collision mitigation - Forward thinking. You look away for just a second and suddenly the vehicle in front of you has stopped. That's when the forward collision mitigation system comes to life. When it senses an impending impact, it will activate a combination of features to help prevent or reduce the severity of an accident. Forward collision mitigation is always looking ahead. Pedestrian impact prevention - An extra step toward safety. Pedestrians don't always stop, look, and listen, but with Pedestrian Impact Prevention, your vehicle is equipped to better see them and avoid them. This system constantly monitors the road ahead to identify and track pedestrians. It projects that image to an interior display screen, AND should an impact become likely, Pedestrian impact prevention takes steps to avoid a collision. Hands-on cruise control. Set it and forget it. Road trips used to be stressful. Cruise control only managed speed, but not distance or safety. Now, with hands-on cruise control, simply set your desired speed and let sensor technology maintain a safe distance between you and surrounding vehicles. It slows you down; speeds you up and even keeps you in your own lane. Meet your ultimate co-pilot with hands-on cruise control. Technology and Telematics Smart device mirroring - Smartphone, meet smart car. You can control your device through your vehicle's infotainment system. Smart device mirroring brings together safety and convenience by making it easier to find what you're looking for while keeping your eyes on the road. Mobile hotspot - WiFi on the fly. Connect your devices to the Internet through your vehicle's private mobile hotspot and take the internet wherever your journey takes you, without eating up your data allowance. Find the hotspot with mobile hotspot. This vehicle comes with a 30-day, 1250 mile 100% warranty that covers not only the complete list of state of Maine inspection standards but also engine & drive train as well. We also offer extended warranties for an additional fee. Please call 207-753-0033 and speak with Dan, Ryan or Chris for further details or email us at sales@lakecityexports.com. Also ask us about our AMAZING NEW GAP program! Buy Gap Coverage through us and if your vehicle becomes a total loss, we will give you \$1000 towards the purchase of a new vehicle here at Lake City Exports! **DISCLAIMER:** Vehicle may or may not have equipment/options listed due to the fact that it is computer generated when VIN # is entered into the system and is listed with ALL options available within that package but this does not actually mean this vehicle may be equipped with it.
