DESCRIPTION/OPTIONS: FRESH ARRIVAL CALL FOR RELEASE DATE! This 2020 Jeep Grand Cherokee North offered in Bright White Clearcoat will make a great addition to your family or business! Here are just a few features this vehicle has to offer: Quick Order Package 2BN North (\$4,445 value) North Edition MOPAR Cargo Area Liner MOPAR Slush Mats Quadra-Trac II 4WD System Rear View Auto Dim Mirror Heated Front Seats Power 8-Way Driver/manual Passenger Seat Power 4-Way Driver Lumbar Adjust Power Liftgate Bright Side Roof Rails Engine Block Heater Heated Steering Wheel Premium Alpine Speaker System Steering Wheel Mounted Audio Controls Full Size Spare Tire Uconnect 4C Navigation Radio with 8.4 Display Remote Start System Tow Hooks Fuel Tank Skid Plate Shield Transfer Case Skid Plate Shield Front Suspension Skid Plate Underbody Skid Plate Jeep Trail Rated Kit Convenience Power open and close liftgate - On-demand access. When your arms are full of cargo, the last thing you want to do is set it all down just to open the liftgate, then pick it all back up to load it in. By remotely opening and closing, power liftgate lets you skip straight to the loading. It also eliminates the awkward stretch to reach up for the liftgate to close it. Load and go with power open and close liftgate. Keyfob engine start control - Get an early start. Remotely start your vehicle's engine from the key fob, ensuring your ride is ready to go when you get in. Now you can stay comfortable inside while your vehicle gets comfortable outside, thanks to Keyfob engine start control. Safety and Security Blind spot warning - Protect your blind side. You checked the mirror, looked over your shoulder and still nearly collided with the car next to you. Blind spot warning alerts you to the presence of a vehicle to your sides or rear so you know if you're about to make an unsafe lane change. Replace fear and uncertainty with confidence and safety with blind spot warning. Technology and Telematics Smart device mirroring - Smartphone, meet smart car. You can control your device through your vehicle's infotainment system. Smart device mirroring brings together safety and convenience by making it easier to find what you're looking for while keeping your eyes on the road. Voice activated integrated navigation system - A to B made easy! Whether it's an errand or a road trip, the voice activated integrated navigation system will guide you to your destination. No more bulky, impossible-to-fold maps, and no more stopping to ask for directions. Just tell it where you want to go, and the voice activated integrated navigation system shows you the right way. This vehicle comes with a 30-day, 1250 mile 100% warranty that covers not only the complete list of state of Maine inspection standards but also engine & drive train as well. We also offer extended warranties for an additional fee. Please call 207-333-3558 and speak with Eric for further details or email us at sales@lakecityexports.com. Also ask us about our AMAZING NEW GAP program! Buy Gap Coverage through us and if your vehicle becomes a total loss, we will give you \$1000 towards the purchase of a new vehicle here at Lake City Exports! **DISCLAIMER:** Vehicle may or may not have equipment/options listed due to the fact that it is computer generated when VIN # is entered into the system and is listed with ALL options available within that package but this does not actually mean this vehicle may be equipped with it.
