**DESCRIPTION/OPTIONS:** This 2018 Subaru Forester offered in Ice Silver Metallic will make a great addition to your family or business! Here are just a few features this vehicle has to offer:  
n Base Model  
n Convenience Cruise control with steering wheel mounted controls. Set it and forget it. Road trips used to be stressful, until cruise control set the pace. Simply set the desired speed using the steering wheel mounted controls and it will maintain that speed without driver intervention. This can help minimize driver fatigue and improve overall fuel economy. Resting your right foot is right at your fingertips thanks to cruise control with steering wheel mounted controls.  
n In-car Entertainment Touchscreen - flat out convenient. Say goodbye to the twists and turns of your daily drive...we're talking about buttons and knobs of course! Touchscreen allows you to control certain features with your fingertips, making it easy to use while also providing information at a glance. With touchscreen, your fingerprints will be all over your drive.  
n Powertrain and Mechanical All wheel drive - all weather drive. In wet or slippery conditions the more grip your wheels can maintain, the safer your drive. All wheel drive powers both the front and rear axles, allowing the center differential to redirect power to the wheels with greater traction when slip is detected. So get a firm grip on the road, better acceleration and added peace of mind in poor weather conditions with all-wheel drive.  
n Safety and Security Rear camera - Watching your back! The rear camera helps you see obstacles and hazards you otherwise couldn't by showing enhanced images of what is behind you. The rear camera is an extra set of eyes that's both convenient and safe.  
n Technology and Telematics Selective Internet access - a more focused delivery. Selective internet access allows you to tailor the features for your feed, such as sports scores, local news, or current weather. When it comes to getting what you want, selective internet access is a net gain.  
n This vehicle comes with a 30-day, 1250 mile 100% warranty that covers not only the complete list of state of Maine inspection standards but also engine & drive train as well. We also offer extended warranties for an additional fee.  
n Please call 207-333-3558 and speak with Eric for further details or email us at sales@lakecityexports.com.  
n Also ask us about our AMAZING NEW GAP program! Buy Gap Coverage through us and if your vehicle becomes a total loss, we will give you \$1000 towards the purchase of a new vehicle here at Lake City Exports! **DISCLAIMER:** Vehicle may or may not have equipment/options listed due to the fact that it is computer generated when VIN # is entered into the system and is listed with ALL options available within that package but this does not actually mean this vehicle may be equipped with it.
