n Comfort Heated steering wheel - A warm touch. Trying to drive with bulky winter gloves on isn't always easy. Keep your hands warm in cold temperatures so you can ditch the mitts and get a firm grip with this heated steering wheel.
Technology and Telematics
Smart device mirroring - Smartphone, meet smart car. You can control your device through your vehicle's infotainment system. Smart device mirroring brings together safety and convenience by making it easier to find what you're looking for while keeping your eyes on the road. Voice activated integrated navigation system - A to B made easy! Whether it's an errand or a road trip, the voice activated integrated navigation system will guide you to your destination. No more bulky, impossible-to-fold maps, and no more stopping to ask for directions. Just tell it where you want to go, and the voice activated integrated navigation system shows you the right way. Wireless connectivity - Strike the cord. Wireless technology makes it easy to place calls without having to fumble with your phone. It integrates your device with the system inside your vehicle for hands-free access. Keep connected and keep your hands on the wheel with wireless connectivity. 7 USB ports - No adaptor needed! You need a charge. You want to hear your music. But your adapter is lost and all you have is a USB cord. That's A-Okay - with 7 USB ports, you can connect, power up and go.
