nnComfort Heated driver and front passenger seatbacks - That's hot. Heated driver and front passenger seatbacks provide more targeted warmth so you can get comfortable quicker in cold weather. If you have lower back pain, you might also be soothed by the heat while you drive. No matter the weather, find comfort in heated driver and front passenger seatbacks.
Convenience Cruise control - Set it and forget it. Road trips used to be stressful, until cruise control set the pace. Simply set the desired speed and it will maintain that speed without driver intervention. This can help minimize driver fatigue and improve overall fuel economy. Meet your ultimate co-pilot; cruise control. Power open and close liftgate - On-demand access. When your arms are full of cargo, the last thing you want to do is set it all down just to open the liftgate, then pick it all back up to load it in. By remotely opening and closing, power liftgate lets you skip straight to the loading. It also eliminates the awkward stretch to reach up for the liftgate to close it. Load and go with power open and close liftgate.
Safety and Security Brake assist - Stop right there. Something jumps out into the middle of the road and you need to stop now! With brake assist, you will. It uses the speed of the brake pedal's travel to sense panic braking, then applies all available power to boost your stopping power. Brake assist can stop the accident before it is one.
This vehicle comes with a 30-day, 1250 mile 100% warranty that covers not only the complete list of state of Maine inspection standards but also engine & drive train as well. We also offer extended warranties for an additional fee. nnPlease call 207-333-3558 and speak with Eric for further details or email us at sales@lakecityexports.com. nnAlso ask us about our AMAZING NEW GAP program! Buy Gap Coverage through us and if your vehicle becomes a total loss, we will give you \$1000 towards the purchase of a new vehicle here at Lake City Exports! **DISCLAIMER:** Vehicle may or may not have equipment/options listed due to the fact that it is computer generated when VIN # is entered into the system and is listed with ALL options available within that package but this does not actually mean this vehicle may be equipped with it.
