DESCRIPTION/OPTIONS: FRESH ARRIVAL CALL FOR RELEASE DATE!nnThis 2014 Volkswagen Beetle Coupe 2.5L Entry offered in WHITE will make a great addition to your family or business! Here are just a few features this vehicle has to offer:nnConvenience Cruise control - Set it and forget it. Road trips used to be stressful, until cruise control set the pace. Simply set the desired speed and it will maintain that speed without driver intervention. This can help minimize driver fatigue and improve overall fuel economy. Meet your ultimate co-pilot; cruise control.Powertrain and Mechanical Variable valve timing - Change your output. There are a lot of variables in your drive, so why should your engine always operate the same? With variable valve timing, the engine is efficient at both low and high RPM's, so you get better fuel efficiency, cleaner emissions and improved performance. Variable valve timing provides a better drive, every time.Safety and Security Ignition immobilizer - Theft is a non-starter. You can feel more secure about your vehicle being there when you come back. Ignition immobilizer is a passive security system consisting of a transmitter in the ignition key and a sensor located in the vehicle. If both are not present or do not recognize each other, the vehicle will not start. Ignition immobilizer a sure-fire way to prevent the theft of your vehicle. Electronic stability control - Helping you stay grounded. By monitoring and comparing vehicle dynamics to driver input, this system acts instantly to help control the vehicle if it loses traction. It engages the traction control and anti-lock brake systems if skidding is detected, and it may even react well before you're aware of a loss of traction. With electronic stability control you can stay on the road ahead. Brake assist - Stop right there. Something jumps out into the middle of the road and you need to stop now! With brake assist, you will. It uses the speed of the brake pedal's travel to sense panic braking, then applies all available power to boost your stopping power. Brake assist can stop the accident before it is one. This vehicle comes with a 30-day, 1250 mile 100% warranty that covers not only the complete list of state of Maine inspection standards but also engine & drive train as well. We also offer extended warranties for an additional fee. nnPlease call 207-333-3558 and speak with Eric for further details or email us at sales@lakecityexports.com. nnAlso ask us about our AMAZING NEW GAP program! Buy Gap Coverage through us and if your vehicle becomes a total loss, we will give you \$1000 towards the purchase of a new vehicle here at Lake City Exports! **DISCLAIMER:** Vehicle may or may not have equipment/options listed due to the fact that it is computer generated when VIN # is entered into the system and is listed with ALL options available within that package but this does not actually mean this vehicle may be equipped with it.
