6.2L 2-Valve SOHC EFI NA V8 Flex-Fuel Engine
HD Vinyl 40/20/40 Split Bench Seat
10,000 Lb Payload Package
GVWR 3,73 Axle Ration
Powertrain and Mechanical 4-wheel drive - All four safety. In wet or slippery conditions the more grip your wheels can maintain, the safer your drive. 4-wheel drive delivers power to all four wheels providing excellent traction in adverse weather and road conditions. Get a firm grip on the road and added peace of mind in poor weather conditions with 4-wheel drive. Variable valve timing - Change your output. There are a lot of variables in your drive, so why should your engine always operate the same? With variable valve timing, the engine is efficient at both low and high RPM's, so you get better fuel efficiency, cleaner emissions and improved performance. Variable valve timing provides a better drive, every time. Overhead cam engines developed out of racing technology. They easily operate at higher RPM and develop more horsepower than older engine designs. They are typically more efficient and responsive than OHV (pushrod) engines. Safety and Security Brake assist - Stop right there. Something jumps out into the middle of the road and you need to stop now! With brake assist, you will. It uses the speed of the brake pedal's travel to sense panic braking, then applies all available power to boost your stopping power. Brake assist can stop the accident before it is one.
nThis vehicle comes with a State of Maine inspection sticker as well as a 30-day plate!
nWe also offer extended warranties for an additional fee. Please call 207-333-3558 and speak with Eric for further details or email us at sales@lakecityexports.com.
nAlso ask us about our AMAZING NEW GAP program! Buy Gap Coverage through us and if your vehicle becomes a total loss, we will give you \$1000 towards the purchase of a new vehicle here at Lake City Exports!
nDISCLAIMER: Vehicle may or may not have equipment/options listed due to the fact that it is computer generated when VIN # is entered into the system and is listed with ALL options available within that package but this does not actually mean this vehicle may be equipped with it.
