**DESCRIPTION/OPTIONS:** This 2019 Mazda CX-3 Grand Touring offered in GRAY will make a great addition to your family or business! Here are just a few features this vehicle has to offer: nConvenience Distance pacing cruise control with traffic stop-go. Set it and forget it. Road trips used to be stressful. Cruise control only managed speed, but not distance or safety. Now, with Distance pacing cruise control with traffic stop-go, simply set your desired speed and let sensor technology maintain a safe distance between you and the vehicle ahead. It's stop/go feature automatically brings the vehicle to a stop if traffic stops and resumes distance pacing cruise when traffic starts to move again. Distance pacing cruise control with traffic stop-go; your ultimate co-pilot. Safety and Security Forward collision mitigation - Forward thinking. You look away for just a second and suddenly the vehicle in front of you has stopped. That's when the forward collision mitigation system comes to life. When it senses an impending impact, it will activate a combination of features to help prevent or reduce the severity of an accident. Forward collision mitigation is always looking ahead. Rear camera - Watching your back! The rear camera helps you see obstacles and hazards you otherwise couldn't by showing enhanced images of what is behind you. The rear camera is an extra set of eyes that's both convenient and safe. Head-up display - Keep your head up! You don't have to take your eyes off of the road to get information from your dashboard anymore. With head-up display, important driving information - like speed and RPM's - displays on your windshield in your line of sight. Because when you're driving, the most important information lies on the road ahead. Keep your eyes on the road with head-up display. This vehicle comes with a 30-day, 1250 mile 100% warranty that covers not only the complete list of state of Maine inspection standards but also engine & drive train as well. We also offer extended warranties for an additional fee. nPlease call 207-333-3558 and speak with Eric for further details or email us at sales@lakecityexports.com. nAlso ask us about our AMAZING NEW GAP program!
