nConvenience Keyfob engine start control - Get an early start. Remotely start your vehicle's engine from the key fob, ensuring your ride is ready to go when you get in. Now you can stay comfortable inside while your vehicle gets comfortable outside, thanks to Keyfob engine start control. Retractable rear step - Cut out the climb. Getting in and out of the truck bed can be as big a chore as the actual chore for which you need the pickup. But not with retractable rear step. Located at the lower rear of the pickup box, it helps you get in and out of the box and bed easier. Retractable rear step is a helping hand for your feet. Technology and Telematics
Wireless connectivity - Strike the cord. Wireless technology makes it easy to place calls without having to fumble with your phone. It integrates your device with the system inside your vehicle for hands-free access. Keep connected and keep your hands on the wheel with wireless connectivity. Apple CarPlay/Android Auto smart device wireless mirroring
