Quick Order Package 2B Convenience Smart device and keyfob engine start control - Phone ahead. Remotely start your vehicle's engine from the key fob or your smart device, ensuring your ride is ready to go when you get in. Now you can stay comfortable inside while your vehicle gets comfortable outside, thanks to Smart device and Keyfob engine start control. Power open and close liftgate - On-demand access. When your arms are full of cargo, the last thing you want to do is set it all down just to open the liftgate, then pick it all back up to load it in. By remotely opening and closing, power liftgate lets you skip straight to the loading. It also eliminates the awkward stretch to reach up for the liftgate to close it. Load and go with power open and close liftgate. Safety and Security Blind spot warning - Protect your blind side. You checked the mirror, looked over your shoulder and still nearly collided with the car next to you. Blind spot warning alerts you to the presence of a vehicle to your sides or rear so you know if you're about to make an unsafe lane change. Replace fear and uncertainty with confidence and safety with blind spot warning. Technology and Telematics Smart device mirroring - Smartphone, meet smart car. You can control your device through your vehicle's infotainment system. Smart device mirroring brings together safety and convenience by making it easier to find what you're looking for while keeping your eyes on the road. Voice activated integrated navigation system - A to B made easy! Whether it's an errand or a road trip, the voice activated integrated navigation system will guide you to your destination. No more bulky, impossible-to-fold maps, and no more stopping to ask for directions. Just tell it where you want to go, and the voice activated integrated navigation system shows you the right way. This vehicle comes with a 30-day, 1250 mile 100% warranty that covers not only the complete list of state of Maine inspection standards but also engine & drive train as well. We also offer extended warranties for an additional fee. Please call 207-753-0033 and speak with Dan, Ryan or Chris for further details or email us at sales@lakecityexports.com. Also ask us about our AMAZING NEW GAP program! Buy Gap Coverage through us and if your vehicle becomes a total loss, we will give you \$1000 towards the purchase of a new vehicle here at Lake City Exports! **DISCLAIMER:** Vehicle may or may not have equipment/options listed due to the fact that it is computer generated when VIN # is entered into the system and is listed with ALL options available within that package but this does not actually mean this vehicle may be equipped with it.
